

Me & My Feelings

The More We Get Together

The more we get together, together, together,
The more we get together,
The happier we'll be
Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be

If You're Happy & You Know It

If you're happy and you know it, clap your hands
(clap clap)
If you're happy and your know it, clap your hands
(clap clap)
If your happy and you know it then your face will
show it, If your happy and you know it, clap your hands
(clap clap)

... stomp your feet (stomp stomp)
... shout "Hurray!" (hooray!)
... do all three (clap clap, stomp stomp, hooray!)

I Put My Hands Together

I put my hands together
This is how I start
I curve my fingers right around
And I can make a heart

Shake Your Sillies Out

I've gotta shake, shake, shake my sillies out

Shake, shake, shake my sillies out
Shake, shake, shake my sillies out
And wiggle all my waggles away

I've gotta clap, clap, clap my crazies out
Clap, clap, clap my crazies out
Clap, clap, clap my crazies out
And wiggle all my waggles away

I've gotta jump, jump, jump my jiggles out
Jump, jump, jump my jiggles out
Jump, jump, jump my jiggles out
And wiggle all my waggles away

Happy Feelings (tune: Love in My Heart)

I've got that happy, happy feeling
(put hand over heart)
Here in my heart,
Here in my heart,
Here in my heart,
I've got that happy, happy feeling
here in my heart,
here in my heart to stay.

I've got that happy, happy feeling
(point to feet)
Down in my feet,
Down in my feet,
Down in my feet,
I've got that happy, happy feeling
Down in my feet,
Down in my feet to stay!

I've got that happy, happy feeling
(shake hands)
Here in my hands,
Here in my hands,
Here in my hands,
I've got that happy, happy feeling
Here in my hands,
Here in my hands to stay

I've got that happy, happy feeling
(wiggle all over)
All over me,
All over me,
All over me,
I've got that happy, happy feeling
All over me
All over me to stay
