Five Little Farmers

Five little farmers woke up with the sun,

(hold up five fingers)

It was early morning, there were chores

To be done,

(wiggle fingers)

The first little farmer went to

Milk the cow,

(point to thumb)

The second little farmer decided

He would plow,

(point to index finger)

The third little farmer mended

Broken pens,

(point to ring finger)

The fourth little farmer went

To feed the hens,

(point to middle finger)

The fifth little farmer took

His vegetables to town

(point to little finger)

Baskets filled with cabbages and

Sweet potatoes brown.

A Peanut Sat on a Railroad Track

A peanut sat

On a railroad track,

His heart was all a-flutter,

Round the bend,

came number ten.

Toot! Toot! Peanut Butter!

The Color I See

The carpenter's hammer goes:

Knock, knock, knock

Knock, knock, knock

When he builds something for me!
