Early Education & Family Wellness Centre's Newsflash

Issue Number: 7

March 2017

REGISTRATION INFORMATION FOR SEPTEMBER 2017:

FOR CURRENTLY REGISTERED FAMILIES - You have already received a form asking where you plan to register your child this coming fall. Please complete and return the form, even if you just say "uncertain" or "to be decided". If your child is going to kindergarten, knowing which kindergarten helps us with the transition planning. If you are returning to Early Education, this form will confirm a space to be held for your child. New registration forms will be completed at a later date.

FOR NEW COMMUNITY PLACEMENTS ONLY – Parents need to call to have their child's name added to our wait list. Those families on the wait list will be contacted about our Spring Registration date. Please note that we have a long list and likely will not be able to accommodate all requests. The number of spaces we have depends on how many funded children register and if families are looking for full or part time placement. If you know families wishing to come, please encourage them to call and add their child's name to our list (780-352-0224).

PARKING REMINDERS

Angle parking is available in front of the school, facing 47 street (East). Please enter at the alley on 47 Street and exit closer to the stop sign at the intersection- it is a **one way** driveway. **PLEASE** hold your child's hand when walking across the parking lot. Additional parking is available on 56th Avenue on the south side of the school.

-**NO** parking directly in front of the school: this is a designated disabled parking area and bus lane.

-**DO NOT** park on the street directly in front of the school (east side, on 47th St.) The No Parking signs posted on the east side (northbound lanes) of 47th street apply to both sides and it is not legal to park there.

- Parking **IS NOT PERMITTED** in the alley on the side of the school. By-law has let us know that it is **illegal** to park in the alley and there could be a **fine of \$78.00** and your **vehicle will be towed**.

-Please **do not park** in staff parking (alley side).

We know there is limited parking...here are some suggestions:

-Drive around the block and try again, spots open up as parents leave.

-Escort your child in and try to keep it short.

-Time your arrival to avoid the busiest time. Children are not "late" since we have a flexible start time and no bells!

"Safety is our 1st Priority"!!

Thank-you

Toy Lending Library

There is a toy lending library housed at our school. As parents, you may check toys out of the toy lending library for a three week period. There is no cost; however, we do ask that the toys are returned clean and in their original containers. The toys are geared to children between the ages of 0-6 years. If you would like to access the library, please see one of the Family Wellness workers: Jane, Lisa or Donna.

Donations for The Classrooms

We are looking for lids and caps. They can be from anything, shampoo bottles, caps from shaving cream, milk lids, pop bottles, water bottle lids, markers, glue etc.

We are also looking for small smooth rocks for an art activity.

If you have any of these items that you would like to donate please send them to school with your child. Thank-you!
